

Bi-Bright® eRed 3T

interactive whiteboard

TRIO

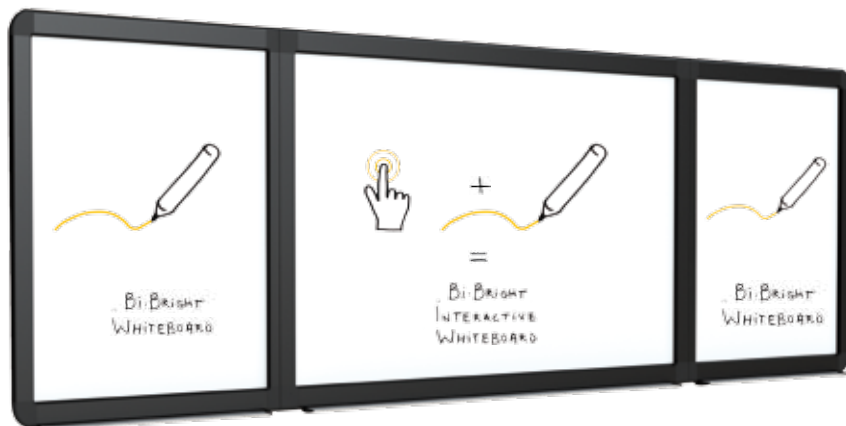

The Bi-Bright eRed 3T Interactive Whiteboard includes one interactive and two regular writing surfaces. The interactive surface is touch-sensitive and recognizes the presence of a pen, finger or wand.

The eRed 3T's extended format provides you with more work space and all the advantages and convenience of an interactive whiteboard.

All board surfaces are made of ceramic steel – a hard, resistant and durable material – ideal for intensive daily use.
